## *The President's Dispatch*

At the October regular club meeting we had a unique postcard from the battleship USS *Texas*, BB-35, that Paul Kuehn brought to show us and talk about. That was followed by Dan Hubbard showing

and discussing some very unique Lithuanian stamps with errors and some hard to find Lithuanian/Russian overprints. These stamps are rarely seen. Dan explained how few copies of these stamps were in existence.

A motion was made, seconded and passed for the club to purchase a club copy of the 2015 Scott's Classic Specialized Catalogue of Stamps and Covers. This catalogue covers the worldwide stamps from 1840-1940 in one volume. Dan discussed ways to put this catalogue in rotational circulation so that each club member would have a chance to use it.

Richard Jackson gave a short discussion about the club stamps that are available both in auction and for direct purchase.

Following the briefing and discussion the meeting concluded with a special auction. This was one of our better auctions. Several members brought substantial material to auction along with the club stamp auction lots all of which covered about five tables. Most of this went home with new and happy owners.

October was a fifth Thursday month so we also had a club bourse on Thursday, October 30th. I think this was definitely our best bourse yet. There were lots of stamps and people and we all had a good time filling holes in our albums and pockets. The pictures on page 3 tell it all.

### *President's Dispatch Continued*

Our next club meeting will be at Northeast State Community College Student Services Building on Thursday at 7 PM on November 20. ***Don't forget to put your parking pass on the dashboard of your car after you park.*** We will continue with special auctions, so, bring your items to the November club meeting. Don't forget to fill out the special auction sheets for your lots ( 15 maximum ) in advance and mark the lots accordingly. I'm glad to report that the lots the club bought for the membership are moving well. After one auction and one bourse our treasurer reports that we have already recovered 61% of our investment.

Make plans to join us at our next bourse in 2015 and be thinking about your white elephant gift for the December meeting.

I am looking forward to seeing you all at the upcoming November meeting where we can talk about and have a lot of fun with stamps. See you there!

*Dick*

## USA Stamp of the Month by your newsletter editor

This month this column is about a stamp series issued in 1934, Scott #740—#749. That year had been declared National Parks Year and Secretary of the Interior Harold Ickes proposed to President Franklin Roosevelt that a series of stamps would be a very good way of advertising to the general public the existence of the National Parks. Pres. Roosevelt quickly approved the idea and ten parks were selected to be depicted on stamps. These were:

- Scott #740 1¢ Yosemite (California)
- Scott #741 2¢ Grand Canyon (Arizona)
- Scott #742 3¢ Mt. Ranier (Washington)
- Scott #743 4¢ Mesa Verde (Colorado)
- Scott #744 5¢ Yellowstone (Idaho, Wyoming & Montana)
- Scott #745 6¢ Crater Lake (Oregon)
- Scott #746 7¢ Acadia (Maine)
- Scott #747 8¢ Zion (Utah)
- Scott #748 9¢ Glacier (Montana)
- Scott #749 10¢ Great Smoky Mountains (N. Carolina & Tenn.)

This is a wonderful series of stamps as you can see to the right. Do you know the order of when the areas that make of these parks were established as parks? From the oldest to the youngest the order is:

- Yellowstone (Scott #744), the first National Park, est. 1872
- Yosemite (Scott #740), est. 1890
- Mt. Ranier (Scott #742), est. 1899
- Crater Lake (Scott #745), est. 1902
- Mesa Verde (Scott #743), the first cultural park, est. 1906
- Glacier (Scott #748), est. 1910
- Arcadia, (Scott \$746), est. 1916
- Grand Canyon (Scott #741), est. 1919
- Zion (Scott #747), est. 1919
- Great Smoky Mountains (Scott #749), est. 1930

## *Monthly Treasury Report*

Balance on hand Oct. 1, 2014 \$1,134.21

Total Income for October \$204.35

New member (Mike Poe) \$15.00

Club Stamp Sales \$189.35

Total Disbursements for Oct. \$ 0.00

**Balance on hand Oct. 31, 2014 \$1,338.56**

FYI: The auction contained 128 lots from members plus 10 from the club and 101 lots sold to ? Bidders for \$365.20 and 37 lots did not sell. Club stamps brought \$44.75 at auction plus \$14.15 direct sales at the Oct. 16th meeting plus \$140.45 at the Oct. 30th bourse for a total recovery so far of \$189.35

. The stamps above are the perforate variety. Because of the scandal due to Postmaster General Farley purchasing and giving away imperforate, ungummed sheets of stamps during 1933 and 1934 to friends and family, the Post Office Department issued special printings of those stamps ungummed and imperforate in 1935. These are known as Farley's Follies. All of the stamps in the 1934 National Parks series were reissued in this way.

Unless otherwise indicated  
by announcement in the newsletter,  
Holston Stamp Club conducts its regular  
meeting on the 3rd Thursday  
each month at 7 p.m.

**Hope to C. U. there**
